

Minimum order is 100\$ and must be full length of master coil

Call for discounts

To calculate price multiply desired width times the list price

i.e. .35 inch Wide by .01 by 1000 ft Tecaform Natural

.35 x 135.04 = \$47.26/1000 ft slit roll

for 1.5 inch rol = 1.5 X 109.09 = 163.64

List roll Price/inch width
